NADAÍSMO 60 AÑOS

Una Aventura maravillosa

Nadaísmo Sesenta Años es un homenaje que la Biblioteca Pública Piloto y la Secretaría de Cultura Ciudadana de Medellín, dedica a la apuesta que estos jóvenes geniales, locos y peligrosos, se jugaron por la transformación literaria y cultural del país. Los documentos de archivo del Fondo Movimiento Nadaísta de la Biblioteca Pública Piloto y los archivos personales de los miembros vivos del grupo son la ruta de navegación de esta exposición. 60 años que nos invitan a seguir viviendo, soñando y creando.

To the right of "RIK" is a stylized figure with a large head, a small body, and a long, curved leg. Above the figure is a small circle. Below the figure is a small circle. In the bottom right corner, there is a small, stylized signature or mark that looks like "ZD".

Handwritten text, possibly a signature or initials, in a light, sketchy style. The characters are difficult to decipher but appear to be 'R' and 'L' followed by a checkmark-like symbol.
